WELCOME TO CS101!
ARE YOU IN THE RIGHT ROOM?

• This is CS101 Section 55.
  – Tuesday/Wednesday/Friday 12:30pm-1:45pm
  – 206 Armstrong Hall
  – Instructor: Michael Osborne

• We will be moving to 219 Armstrong Hall on July 3rd.

ABOUT THE COURSE

• CS101’s goal is to teach data management, data analysis, and critical thinking skills.
• You’ll use Microsoft Office to solve problems in a scientific or analysis-oriented context.
• You will also learn skills that will be useful in your future classes and career.
• CS101 is a 4-credit hour GEC/GEF course.
  – 2 hours in lecture
  – 2 hours from out-of-class work
COURSE SYLLABUS AND SCHEDULE

• Your section’s syllabus and schedule are both available at http://cs101.wvu.edu/osborne

• Read and follow both. You’re responsible for knowing their contents.
COURSE COMMUNICATIONS
WEBSITE AND E-MAIL

• CS101 website is at http://cs101.wvu.edu
• Website for your section is at http://cs101.wvu.edu/osborne

• Important info will be made available on the website and through MIX e-mail.
• It’s your responsibility to check each daily.
E-MAILING YOUR INSTRUCTOR

If you e-mail your instructor, please:
• E-mail from your MIX account only.
• Use a descriptive subject line. Don’t just reply to a previous unrelated message.
• List your name and section.
• Write in clear, concise sentences so you can easily be understood.
• Be specific. If you’re writing about HW #3, specifically say “HW #3” in your message.
CONNECT ON SOCIAL MEDIA

• Follow us on Twitter and Facebook to stay current with CS101 happenings.
• Get reminders of due dates, exams, tips, and other information.

REQUIRED MATERIALS FOR SUCCESS
Exploring Microsoft Office 2016, Comprehensive Editions for Excel, Word, Access, and PowerPoint

- Available in eText and print forms.
- Good reference book.
- Ties in with MyLab IT.
**MYLAB IT**

- MyLab IT is a computer-based simulation that resembles Microsoft Office.
- You need your own MyLab IT license.
- Licenses are good for 1 year.
  - Licenses can’t be shared.
  - If you first took CS101 in Summer 2017 or Fall 2017, you can **add new section to your existing account**.
  - **Special WVU version is needed. You can’t buy it on Amazon.**
- 14-day free temporary access is available so you can get started if you can’t afford to buy yet.
TEXTBOOK/MYITLAB BUNDLES

Electronic Bundle
Buy this unless you want print books.
• eBook Access
• MyLab IT

Available from:
• Pearson (Online)
• Book Exchange

Print Bundle
• Print Books
• eBook Access
• MyLab IT

Available from:
• Barnes & Noble
• Book Exchange
• BookHolders
SUPPLEMENTAL CONTENT

Supplemental Content for Microsoft Office 2016

• Covers additional material not in the main textbook.
• Free PDF at http://cs101.wvu.edu/materials/supplemental-content/.
MICROSOFT OFFICE

Acceptable Versions
Office for Windows

• Office 2016/365 for Windows
• WVU students can get Office 365 for free at
  http://it.wvu.edu/services/office365/proplus

Not Acceptable Versions
Office for Mac

• Office for Mac does not support all of the tools used in CS101.
• We recommend using our free Mac VM to run the Windows version of Office on your Mac.

Google Docs and Open Office

• Can’t be used for CS101 assignments.
MAC SUPPORT

• Office for Mac doesn’t have all the features needed for CS101 assignments.
  – You can do HWs #1-#3, MyLab Lessons, and MyLab Bonus Projects on a Mac.
  – Other assignments require Windows version of Office.
• By running a virtual machine, you can use Office for Windows on a Mac.
• CS101 has a free ready-to-use virtual machine at http://cs101.wvu.edu/macvm/.
• Bring your Mac to Open Lab during the first two Thursdays of the semester and we’ll get you started.
PUBLIC COMPUTER LABS

Don’t have your own computer?

Microsoft Office is installed at:

• **CS101 Open Lab**
• **ITS Computer Lab** in Bennett Tower
• **WVU Libraries public computers**
SAVING YOUR FILES

• Keep copies of all your Homeworks and MyLab Bonus Projects.
• Be sure to exit Microsoft Office before submitting or copying your files.
• If you work in a lab or other computers:
  – *Recommended*: Get a USB Flash drive or use cloud storage (*Google Drive*, *Dropbox*, *OneDrive*)
  – *Don’t*: E-mail your files to yourself
PROTECT YOUR WORK

• It’s your responsibility to ensure nobody else can use your files.

• If another student uses your file, you will be penalized!

• Protect yourself!
  – Don’t let others use your computer.
  – Don’t share your files for any reason.
  – Don’t leave your files on public computers.
GRADES AND ASSIGNMENTS
## GRADES OVERVIEW

<table>
<thead>
<tr>
<th>Assignment</th>
<th>Pts Each</th>
<th>Total Pts</th>

<td>599 or fewer</td>
</tr>
</tbody>
</table>

- Grades are not curved. What you earn is what you get.
- You can view your grades at [https://cs101.wvu.edu/tools/gradebook/](https://cs101.wvu.edu/tools/gradebook/)
GRADES & SUBMISSIONS

• It’s your responsibility to make sure you submit your work on-time. Late penalties will be applied for late work.
• Once grades for an assignment are posted, you have 7 days to contact your instructor if you believe they are incorrect. After that, they are final.
HOMEWORKS

• 6 Homeworks
  – 3 Excel
  – 2 Access
  – 1 Problem Solving (Access, Excel, Word, PowerPoint)

• Homeworks build your skills with using Office for data analysis.

• 20% of the grade for each project comes from short answer data analysis questions.

• Late penalty is 20% per calendar day.
EXAMS

• 2 regular exams plus Final Exam
  – Exam #1 is on Excel
  – Exam #2 is on Access
  – Final Exam is comprehensive

• Exams build on the Homeworks. If you do well on Homeworks, you’ll do fine on Exams.

• There will be a review session for each Exam. These are a great way to prepare.
MYLAB LESSONS

• MyITLab simulates Microsoft Office.
  – Provides training on how to complete tasks.
  – Assesses your ability to complete same tasks.

• 7 MyLab Lessons
  – Each Lesson contains multiple modules.
  – You’ll learn things in MyLab IT before we get to them in class. This helps make better use of time.
MYLAB IT
REGISTRATION

• Registration instructions are at http://cs101.wvu.edu/registermylab
• Read and follow the instructions!
• You’ll register with a Pearson account.
  – MyLabsPlus accounts given in Math courses are not Pearson accounts!
• You must enter your Student ID in MyLab after registering to get credit for your work.
• If you need help, go to CS101 Open Lab.
MYLAB GRADING

• There are about 206 questions in MyITLab. You must complete 190 of them.
• We assign more questions than you need to complete so there are spares. If you run into problems, you can move on to the next question.
• Late work is worth 50% credit through the last day of class.
MYLAB LEARNING AIDS

• If you don’t know how to complete a question in MyLab Lessons, the Learning Aids will show you what to do:
  – *Watch* option shows a video of how to complete the question
  – *Practice* option provides step-by-step guidance on how to complete the question
  – *Read* takes you to a relevant eText page
PARTICIPATION PROJECTS

• Hands-on projects completed during class working individually or in small groups.

• There will be at least 23 projects during the semester. You need to complete 20.
  – Generally one project per class day.
  – You can’t make-up missed projects.
MYLAB BONUS PROJECTS

• Available through the MyLab IT website, these are projects you can complete in Office to earn up to 60 bonus points.

• There are 3 projects.
  – Microsoft Excel
  – Microsoft Word
  – Microsoft PowerPoint

• Automatically graded by MyLab IT.
• You have 2 attempts per project.
ACADEMIC INTEGRITY
ACADEMIC INTEGRITY

• Academic integrity is very important to us.
• It’s your responsibility to know our policy. Not reading the syllabus is not an excuse.

• If you cheat, you will get caught.
• Penalties are severe and strictly enforced.
  – 1st Time: You lose 100+ points, a full letter grade.
  – 2nd Time: You get an F for the course, even if you had no warning of the first violation.
HOW TO AVOID VIOLATIONS

• Don’t work with other people. Homeworks are not group projects.
• Never give files to anyone for any reason.
• Don’t leave your files on a public computer or anywhere else someone could take them.
• **Don’t let others use your computer.**
• Don’t share or reuse files, even blank ones, because they may contain hidden details about the person who made the original file.
START WITH YOUR OWN NEW FILE EVERY TIME

• **Never** give or take a file from anyone else.

• If you did not start your assignment with a brand new file that you created yourself, you have cheated.

• Do not share files with friends, even if the only thing in them is an import of the starter data for the assignment.

• Don’t reuse files from a previous semester.
KEY POINTS

• If you cheat, you **will** get caught.
  – Every semester, 5% of students cheat.
  – Every semester, 5% of students get the penalties.
  – Every semester, about a dozen students try to cheat twice. They are failed, **period**.

• We have tools to find cheating, even if you use a file from a different section or semester.

• CS101 is not hard enough to bother with the risks of cheating. Learn the material, do the work, and you will be fine.
POLICY ACKNOWLEDGMENT FORM

• Before you can get credit for any of your work, you must sign the CS101 Policy Acknowledgement Form.
• By signing this form, you certify you understand and will follow CS101 policies.
• If you have questions, ask before signing.
• If you think something may be questionable, you probably shouldn’t do it.
GETTING ASSISTANCE
OPEN LAB

• Open Lab is a place for you to get help with homework assignments.
• Weekdays in 219 Armstrong Hall. Hours at http://cs101.wvu.edu/openlab/.
• Start early on your assignments. Open Lab gets very busy close to due dates.
HOMEWORK HELP PROJECT VIDEOS

• Watch and follow along as CS101 instructors complete projects similar to your actual Homeworks.

• Videos and instructions are posted at http://cs101.wvu.edu/hwhelp/. 
ACCESSIBILITY ACCOMMODATIONS

• If you have a disability, you may be entitled to special accommodations.

• Accommodations are granted by the Office of Accessibility Services. We can’t grant accommodations without their authorization.

• We need to receive notice of authorized accommodations at least one week before we are to provide them (like for an exam).
GETTING STARTED THIS SEMESTER
IMPORTANT UPCOMING DATES

- Upcoming deadlines and due dates.
  - MyLab Lesson A due Friday 6/29
  - MyLab Lesson B due Wednesday 7/4
  - Homework #1 due Monday 7/2
THINGS TO DO:
REGISTER FOR MYLAB IT

• MyLab IT is ready!

• Follow the instructions at http://cs101.wvu.edu/registermylab.
  – Carefully follow the directions so you register correctly!

• If you have questions, go to Open Lab.
THINGS TO DO: INSTALL MAC VM

• If you have a Mac, we suggest installing our Mac VM so you can use it for all CS101 assignments.

• You can go to Open Lab if you need help.
